\* FTE for faculty is not calculated in the same twelve-month manner as the administrator and staff positions. FTE for faculty is calculated on an academic year basis. Reductions in FTE can be a result of unpaid leaves of absence, sabbaticals, and adjusted workloads due to phased retirement. Additions in FTE are a result of overload assignments, extended duty days due to program needs, additional assignments requiring faculty expertise. Faculty FTE figures do not include assignments that are paid on a lump sum basis, such as non-credit instruction, customized training faculty instruction, various student activity assignments.
