

Supplemental Retirement Eligibility Codes are:

0 = Full time unclassified employee, eligible to earn service credit towards SRP, no prior full time years credited

1 = 1st year of SRP service completed

2 = Has earned 2 years of full time service credit towards SRP eligibility but not currently eligible for deductions (i.e. moved to the classified service)

M = Classified employee - not eligible for SRP; used for all classified employees except those who have already completed 1 or 2 years of full time unclassified service towards SRP eligibility and who have no active unclassified assignment. Any unclassified job record for an employee with 2 years of accumulated full time service should be coded Y.

N = Part time unclassified not eligible to accumulate SRP years of service

R = Retired and withdrawing SRP funds, not eligible for future SRP contributions

Y = Eligible for SRP contributions, unclassified employee who has completed 2 years of full time service
